

TREBNICK

BY ARMIS

Built for Lumber. Trusted for Performance.

Lost inventory visibility slows production, complicates audits and creates costly delays. Backed by more than 40 years of durable tag expertise, Trebnick delivers identification solutions purpose-built for demanding lumber production and yard environments. Engineered to withstand heat, moisture, UV exposure and abrasion, Trebnick lumber tags deliver reliable identification that improves inventory accuracy and keeps lumber moving from mill to jobsite.
