

TREBNICK

BY ARMIS

Built for Rebar. Engineered to Last.

Rebar fabricators depend on accurate identification to prevent traceability gaps and costly shipping errors. Backed by more than 40 years of durable tag expertise, Trebnick delivers identification solutions purpose-built for demanding rebar fabrication environments. Engineered to withstand weather, abrasion and harsh handling, Trebnick rebar tags preserve bar size, grade, heat numbers and bundle identification to ensure the right material reaches the right jobsite.

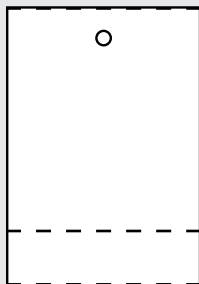

Features & Specifications

- Heat, chemical, abrasion and tear resistant
- Reliable barcode readability
- Custom printed with heat, lot, grade and order data
- Thermal-transfer, print-on-demand compatible
- RFID options available

Proven Performance

- Mitigate risk from mill to jobsite
- Improve delivery accuracy
- Keep operations and projects on schedule
- Maintain traceability and compliance
- 40+ years protecting operational performance
