

Built for Steel. Trusted Traceability.

In steel production, shipping errors and misidentified coils turn into costly traceability gaps. Backed by more than 40 years of durable tag expertise, Trebnick delivers identification solutions purpose-built for demanding steel production environments. Resistant to chemicals, extreme weather and abrasion, Trebnick steel tags preserve heat numbers and coil IDs throughout production and delivery to maintain traceability and streamline fulfillment.

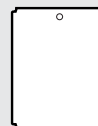

5.5"x10.375" Tags

Notched with Perf
450 tags / roll
4 rolls / box

4"x6" Tags

Notched with Perf
1,000 tags / roll
4 rolls / box

3"x4" High Heat Tags

Notched with Perf
1,140 tags / roll
4 rolls / box

CUSTOM PRINTED & ON-DEMAND TAGS AVAILABLE!

Features & Specifications

- Chemical, abrasion and tear resistant
- High-heat resistance for mill environments
- Reliable barcode readability
- Thermal-transfer, print-on-demand compatible
- RFID options available

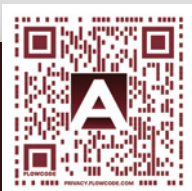

Proven Performance

- Prevent fulfillment delays and shipment mistakes
- Maintain critical product identification
- Simplify inventory management
- Set labeling standards across plants and jobs
- 40+ years protecting operational performance

The Trebnick Steel Product Portfolio

Trebnick's application-specific tag and label portfolio is engineered for outdoor durability, coil traceability and fulfillment performance. Custom solutions are available in specialized materials and formats to meet the unique demands of steel manufacturing.
