

GHS/DOT

Proven Compliance Labeling Solutions

For over 30 years, Reliance has been a trusted leader in delivering durable GHS/DOT labels for the Specialty Chemical and Petrochemical industries. Our solutions facilitate safe handling, traceability and compliance with international regulations, including GHS, DOT, BS 5609 and IMDG.

Reliance delivers industry-leading labeling systems engineered for extreme conditions, reliable durability and the strictest safety standards. Backed by deep knowledge of industry regulations and environmental requirements, our solutions support water treatment, cleaners and solvents, and coatings and adhesive manufacturers - from blending to final delivery.

The Durable Standard.

RELIANCE

Features & Specifications

- Formulated specifically for harsh chemical exposure, with protection that exceeds generic "chemical resistant" substrates
- Engineered for Specialty Chemical drums and totes, steel, HDPE, low-surface-energy plastics and rough containers

Proven Performance

- Industry-leading quality assurance & testing lab for accelerated weathering, chemical immersion, abrasion testing and thermal exposure validation
- Vision® GHS label software simplifies label management
 - Quantum® SDS Authoring software
 - Quantum Waste Management software
- End-to-end labeling solutions, including labels, printers, ribbons, software (GHS printing) and application support
- Deep expertise in GHS, OSHA, DOT, HAZMAT, NFPA, IMDG and WHMIS updates

Explore Our Complete GHS/DOT Portfolio

No matter your printing method or application, we have a labeling solution that will meet the strictest industry regulations. We offer a series of durable compliance labeling solutions compatible with laser, thermal transfer and inkjet printing methods that protect performance - from transit to storage to on the job.

Laser					
Product	Description	Common Use	Compliance	Caliper (Mils)	Weight (mmsi)
GlobaLabel®					
GL1020	3.4 mil White Vinyl, GP Acrylic Perm, 79# LF	Laser Vinyl Drum Labels – Sheets	BS5609 Sec 2 & 3	8.8	392#
GL1750	2.0 mil White TC Polyester, GP Perm, 77# LF	Laser Vinyl Drum Labels – Sheets	BS5609 Sec 2 & 3	8.0	325#
GL1755	2.0 mil White TC Polyester, GP AT Perm, 66# PK	Laser Polyester Drum Labels – Sheets – Neuralabel Folds	BS5609 Sec 2 & 3	7.8	290#
GL1755 BO*	2.0 mil White TC Polyester, GP AT Perm Black Out, 66#PK	Laser Polyester Drum Labels – Sheets – Neuralabel Folds	BS5609 Sec 2 & 3	7.8	290#
GL1313	7.0 mil Teslin, GP AT Perm, 3.2 mil LF	Laser Polyester Drum Labels – Sheets – Neuralabel Folds	BS5609 Sec 2 & 3	12.0	365#
Laser Plus					
LP1820	Standard Paper, GP Perm, 46# LF	Laser Paper Drum Labels – Sheets		8.0	239#
LP1850*	54# Semi-Gloss Laser Paper, GP Perm, 53# LF	Laser Paper Drum Labels – Sheets – Neuralabel Folds		6.6	270#
NPS5065*	5.0 mil Matte White Polyester, C2S, NPS	Laser PET Tags and Hang Tags		5.0	339#

Thermal Transfer					
Product	Description	Common Use	Compliance	Caliper (Mils)	Weight (mmsi)
Thermal Max					
TM2500	2.8 mil Thermal Transfer Coated Paper C1S, Perm, 40#SCK	Thermal Paper Drum – Rolls		6.1	224#
TM2700	3.0 mil Matte Polypropylene, AT Perm, 40#SCK	Thermal Polypropylene Drum – Folds – Rolls		6.3	212#
TM2780	3.0 mil Matte Polypropylene, AT Perm, 50#SCK (Heavy Adhesive)	Thermal Polypropylene Drum – Folds – Rolls	BS5609 Sec 2	7.3	250#
TM2782	Kimdura 70, AT Perm, 50#SCK (Heavy Adhesive)	Thermal Kimdura Drum – Folds – Rolls	BS5609 Sec 2	7.4	266#
TM2785	2.0 mil White Gloss Polyester, Perm, 3.2 mil SCK	Thermal Polyester Drum – Folds – Rolls	BS5609 Sec 2 & 3	6.1	268#
TM2787*	2.3 mil White Gloss Polypropylene, Perm, 50#SCK	Thermal Polypropylene Drum – Folds – Rolls	BS5609 Sec 2 & 3	6.3	260#
TM2789	3.3 mil Durable Matte Polypropylene, Perm, 50#SCK (Heavy Adhesive)	Thermal Polypropylene Drum – Folds – Rolls	BS5609 Sec 2 & 3	7.5	245#
TM2790	3.3 mil Durable Matte Polypropylene, Hot Melt Rubber, 40#SCK	Thermal Polypropylene Drum – Folds – Rolls (Difficult to label surfaces)		6.8	215#

Inkjet					
Product	Description	Common Use	Compliance	Caliper (Mils)	Weight (mmsi)
JetMax®					
JM9006	4.5 mil Kimdura Inkjet, GP Perm, 50#MF	Inkjet Kimdura Drum – Folds – Rolls	BS5609 Sec 2 & 3	8.7	319#
JM9010	Satin Matte Inkjet Paper, ATP, 40#CK	Inkjet Matte Paper Drum – Folds – Rolls		6.7	255#
JM9020	Gloss Inkjet Paper, ATP, 40#CK	Inkjet Gloss Paper Drum – Folds – Rolls		7.0	261#
JM9025	60# High Gloss Inkjet Paper, ATP, 40#SCK	Inkjet Gloss Paper Drum – Folds – Rolls		7.3	
JM9030	3.5 mil Gloss Polypropylene Inkjet, Perm, 40#SCK	Inkjet Gloss Polypropylene – Folds – Rolls		6.4	212#
JM9040	3.5 mil Matte Vinyl, Perm, 50#SCK	Inkjet Matte Vinyl – Folds – Rolls	BS5609 Sec 2 & 3	8.3	349#
JM9050	4.0 mil Matte Polypropylene, AT Perm, 3.2 mil Wht Kraft	Inkjet Matte Polypropylene – Folds – Rolls	BS5609 Sec 2 & 3	7.7	278#
JM9070	4.0 mil Matte Polypropylene, Hot Melt Rubber Perm, 50#SCK	Inkjet Matte Polypropylene – Folds – Rolls (Difficult to label surfaces)	BS5609 Sec 2 & 3	7.7	293#
JM9080	3.1 mil Gloss Polyester, GP Perm, 40#SCK	Inkjet Gloss Polyester – Folds – Rolls	BS5609 Sec 2 & 3	6.0	261#
JM9085*	3.3 mil Gloss Clear Inkjet Polypropylene, 40#SCK	Inkjet Clear Gloss Polypropylene – Rolls	BS5609 Sec 2 & 3	6.4	236#
