# LW-PX300

Cost-effective • Intuitive • User-friendly

The Epson LABELWORKS LW-PX300 provides an industrial-grade labeling solution at an entry-level price. For those seeking a low-cost, compact wire-marking, bar-code and general-identification label solution for creating custom and compliant labels up to 3/4" (18 mm) wide, the LW-PX300 delivers. Identify wires and equipment, organize tool boxes or shelves, or add content information to storage bins. With the LW-PX300, you can print on a variety of materials such as magnetic tape, heat shrink tube, and strong adhesive tape. And like the entire Epson LABELWORKS product line, the LW-PX300 is backed by our industry-leading lifetime warranty.

# FEATURES AND FUNCTIONS

## Professional Choice

Compact and lightweight, the LW-PX300 boasts affordability and simplicity paired with functional efficiency. Its features include: QWERTY keyboard, pre-loaded symbols and formatting options, cross-printer compatible cartridges, and print capability for all materials (including heat shrink tube and magnetic tape).

## Hot Keys

Industry-specific hot keys built into the LW-PX300 save time while labeling. Plus you can quickly access hundreds of industrial symbols, fonts, language characters, templates and styles to make formatting your industrial labels a breeze.

## Lightweight and Compact

Slightly larger than the size of a mobile phone! Carry it anywhere labeling is needed.

## Capable and Productive

The LW-PX300 prints up to 3/4" wide (18mm) on standard and specialty tape, and up to 3/16" on heat shrink tube. Plus, you'll find the essential features and functions needed for printing cost-effective industrial labels in the field or around the workplace.
